

Easy Beaded Releasable Cable Ties

Novoflex Easy Beaded Releasable Cable Ties offer alternative degrees of fixing, either as temporary measures prior to completing the wiring process, or as permanent bunching devices. **For modifications the ties may be released and refastened easily.** Ideal for use in places where wiring modifications and repairs are required, or where changes are anticipated.

Material: Nylon 6. Resistant to Fungus, Corrosion, and most mild acids. **Also available in LDPE upon request.**

Flammability Rating: UL94 V2.

Standard Colour: Natural White.

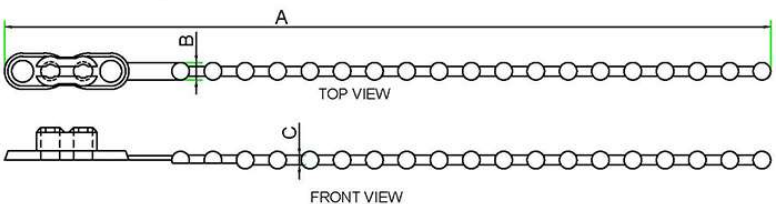

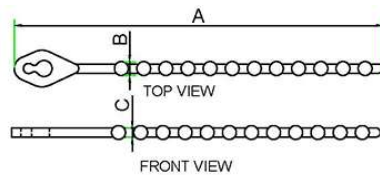

Operating Temperature: -25° C to +85° C.

Halogen Free: Yes.

Tensile Strength: High Tensile Strength provides a secure locking which will not slip, come off or slacken. Ties must be cut to be removed.

Storage Conditions: To be stored in a cool, dark, dry place away from sunlight in a sealed condition.

Example Applications: Automobiles, Railways, Aviation, Pharmaceuticals and Drugs, Chemicals and Dyes, Telecom, White Goods, Computers & Networking, Electronics Manufacturing, and many more.
